

POLITICAL SCIENCE SENIOR UNDERGRADUATE MENTORSHIP PROGRAM

2016 - 2017
Mentee Application Form

***Application Deadline: 5:00 PM on Friday, September 30th, 2016**

ABOUT

The Political Science Senior Mentorship Program was developed to enhance the student experience for 3rd and 4th year Political Science undergraduate students. Students must be enrolled in a POL program. By matching students with Political Science alumni, the program provides students with valuable career advice at a critical point in their education. Mentors share their experiences to assist students in the transition from student life to work life or further education. Students may receive career advice, academic encouragement, advice on preparing to enter the workforce and opportunities to make professional contacts. The topics of conversation and the goals of the relationship are directed by the mentee. For mentors, it provides an opportunity to connect with current students and contribute to their alma mater in a meaningful way. If matched, both parties meet on a regular basis and have contact through email, phone or in-person meetings. The duration of the mentoring is from October to May but can continue after the program has concluded.

PROGRAM REQUIREMENTS

- Attend the opening ‘Meet Your Mentor’ lunch ceremony at Hart House. (Date and time TBA). If the student has class at this time, a note can be provided to explain the student’s absence.
- Attend one ‘Leadership Lunch’. Leadership lunches are presentations followed by a Q&A session given by a diverse set of Political Science alumni, explaining how they made the transition from the University of Toronto to a career. Typically there are 4 within an academic year. Details of the 2016-2017 ‘Leadership Lunch’ schedule will be sent via email from the undergraduate office and advertised throughout the department once confirmed.
- Attend one career related event organised by the undergraduate advisor David Zarnett. Typical workshops include applying to law school, grad school and CV and resumé writing. David Zarnett can be contacted on email david.zarnett@mail.utoronto.ca
- Write a reflective piece on their mentorship experience and future plans at the end of the program.
- Once all of these requirements have been met, the mentorship program will be added to the student’s co-curricular record (CCR). For more on the CCR, visit <https://ccr.utoronto.ca/home.htm>
